Monday, July 9, 2018

Dear Clearpoint Parents:

I am very pleased to be sending you this first communication as your new principal.

I would like to first of all thank Ms. Rachel Wilson who has been a tremendous support in ensuring my transition here has been a smooth one. Her professionalism is evident in so much of what has been achieved at Clearpoint, and will without question help pave the way to future success. I would also like to thank the Clearpoint staff who have been outstanding and the many parents I have met so far. Everyone has been extremely warm and welcoming. I look forward to serving you all and the entire Clearpoint community.

Along with this short letter is a link to the Clearpoint website with information about school supply lists, which I know parents have been waiting for. Information is also shared on Facebook and Twitter.

Clearpoint Elementary School Supply Lists for 2018 – 2019:

<http://clearpoint.lbpsb.qc.ca/supplies.htm>

Follow this link for pdf documents for each grade, K through 6.

A letter with more information about our school start for 2018-2019 will be sent out to all parents by email in August as we approach the first day of school. In the meantime, have a fantastic summer and if you have any questions or concerns of whatever nature, please do not hesitate to get in touch with me at destok@lbpsb.qc.ca

Sincerely,

David Estok
Principal
