Dear Clearpoint Parents & Guardians:

Today proofs and ordering information for school pictures was distributed to students.

Some points to please keep in mind:

- Orders can be placed with Lifetouch online: <https://my.lifetouch.ca/mylifetouch/#/>
- If you are submitting orders through the school, please return your orders to your child's classroom teacher by **Wednesday, November 14th, 2018.**
- Note that our picture retake day is **Wednesday, November 14th**. Students who did not have their pictures taken on Oct. 12th will be able to have their pictures taken on Nov. 14th.
- If you are choosing to have your child's picture retaken, please send him/her to school with the proof envelope you received today on **Wednesday, November 14th**. The proof envelope has important identification information printed on it, and returning this envelope on re-take day will help speed up the delivery process of the final prints.

Please don't hesitate to let us know if you have any questions.

Sincerely,

David Estok
Principal
