Friday, November 16, 2018

Dear Clearpoint Parents:

You may have noticed new traffic signage recently posted by the City of Pointe-Claire along the west side of Cedar Ave opposite the school which specifies no stopping between the hours of 7:30 – 8:30 Mon. – Fri. The area covered by this new signage is between civic addresses 18 -28 Cedar.

We bring this to your attention in order that you may avoid being ticketed by police if you are in violation of this ordinance.

We would also like you to understand that this change in signage was requested by the Governing Board of Clearpoint Elementary in order to make morning traffic around the school less congested, flow smoothly and safer for our students.

We remind our parents to please use the “kiss and drop” morning drop off in front of the daycare entrance. This also helps greatly reduce congestion, and keeps traffic flowing smoothly especially in the morning. In order to help make the “kiss and drop” work well, we ask you to please respect the following points:

- We have extended the kiss and drop by 5 min, and students and staff will be present to assist with drop off from 7:45 – 8:00.
- As drivers arrive, please proceed carefully between the lines of orange cones and advance to the head of the line.
- Please have your children ready to get out on the right (passenger) side. Please **do not** have your children get out on the left (driver's) side. Our grade 6 students will help your children as they get out.
- Please do not pull out of line until the car ahead of you advances. This ensures that the flow of traffic is orderly and even.
- Please do not leave your car parked in the drop off zone.

Your help with these procedures is greatly appreciated, again to ensure the safety of our students. As always, if you have any questions or concerns of about this matter, please do not hesitate to get in touch with me at destok@lbpsb.qc.ca

Sincerely,

David Estok
Principal
