Dear Parents and Guardians:

Portfolio Night At Clearpoint

We are cordially inviting you to our Student Portfolio Evening for 2018 – 2019, which will take place on Wednesday April 17, 2019. The purpose of the evening is provide you with an opportunity to see examples of your child's work, and how that work demonstrates the principles of the IB Primary Years Programme.

The format of the evening is the same as in previous years, using a student-led conference. This means that it is important for your child to be present, as he/she will lead you through the samples of the work that have been assembled for you to review. Some of the important things we hope you will see in your child's work are:

- The **Inquiry-Based Nature** of the PYP (how students' questions have driven how work on a particular project has evolved).
- How your child's work has shown progress and development in the **5 essential elements of the IB PYP** (attitudes, knowledge, skills, key concepts, and taking action).

Time: 5:00 p.m. – 7:00 p.m. (Drop-In basis-15 minutes only)

- It is expected that you spend no more than 15 minutes reviewing the portfolio.
- Your child must accompany you and remain with you during the duration of your school visit.
- We have provided an 'Open Hours' format which facilitates the visit for parents with more than one child attending Clearpoint.

We look forward to seeing you and your child(ren) at the IB Portfolio Showcase evening on April 17, 2019. Please note that this is not an interview but rather a celebration of learning. You will not have an opportunity to discuss your child in a private setting.

Sincerely,

David Estok,
Principal
