To: All Parents & Guardians of Clearpoint Elementary

Re: Annual General Assembly of Parents and Governing Board Elections

All parents and legal guardians of Clearpoint Elementary students are cordially invited to attend the school's Annual General Assembly of Parents.

Date: Wednesday September 11th, 2019

Time: 7:00 pm

Location: School Library

The Governing Board is a body established in each school according to the Education Act. It is composed of the parents, teachers, representatives of the support staff and day care. The GB plays an important role in governance at Clearpoint and is responsible for issues involving school life, including the school's educational project, the annual budget and the development of school policies.

During the meeting the parents present will elect their representatives to the Governing Board. Of the 7 parent representative positions on the GB, 5 are open this year: 4 with a 2 year term of office, and 1 with a 1 year term of office.

Furthermore, the general assembly will elect a representative from among the parent members of the GB to the Lester B. Pearson School Board's Sector Parent's Committee and a substitute with the right to vote.

If interested in running as a parent representative, either:

- send an email to the school's principal stating your intention along with a short bio
- OR
- present yourself to the Annual General Assembly and declare your candidacy in person.

Please consider running for one of the parent representative positions and we encourage all parents to attend this year's AGA to elect those members that you feel would best represent you on the Governing Board.

Sincerely,

David Estok
Principal
