Thursday, January 9, 2020

Dear Clearpoint Parents:

First of all, let me take this opportunity to wish you all a Happy New Year and the very best for 2020.

Student registration for the 2020 – 2021 school year is now upon us! Here is some important information for you to keep in mind regarding the registration period:

Sibling Registration: January 13 – 17. Registration for any students who currently have siblings attending Clearpoint in grades K – 6. This is for new students starting kindergarten next year, in both the 5-year old program as well as our new 4-year old program (see p. 2 below for more details regarding the new 4-yr old program).

Registrations are done by appointment. Please contact Ms. Angelika Witzmann, our school secretary at (514) 798-0792.

Kindergarten Registration: January 27 – 31. Registration for all new students who do not have siblings attending Clearpoint. This is for all levels from Kindergarten to grade 6 **including our 4-year old program.**

Registrations are done by appointment. Please contact Ms. Angelika Witzmann, our school secretary at (514) 798-0792.

For more detailed information regarding the registration process including a list of what documentation is required when you visit the school, please visit the following link:

<https://boardsite.lbpsb.qc.ca/admissions>

Re-registration: Note that re-registration for students already attending Clearpoint takes place on-line using the [LBPSB parent Fusion Portal](#) according to the following schedule:

- Grade 6 students going to High School, **starting on Monday Jan. 20th.**
- Kindergarten to grade 5, **starting on Monday, Feb. 3rd.**

4-Year Old Kindergarten Program

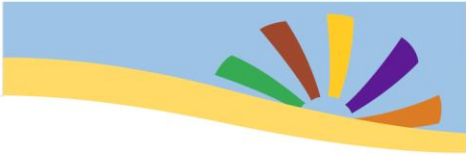

As noted above, we are able to offer a new program next year at Clearpoint, which we are very excited about. This is a Ministry-funded 4-year old Kindergarten program that has already been running in a number of other LBPSB schools since the beginning of the current school year.

To be admitted to this program, a child must be 4 years old before October 1, 2020, and have eligibility to attend English school. This full-day program will be part of our IB PYP, which is already offered in the school from Kindergarten – grade 6. Please note that the number of student places available is limited, and the program is subject to approval by the MEES (Ministère de l'Éducation et de l'Enseignement supérieur).

Acceptance into the program will be determined based on the Enrollment Criteria of the LBPSB.

For further details, we suggest you attend our Open House Information Session for Parents, to be held next Friday, January 17, starting at 9:00 a.m., or also check out the link below:
