

This year we would like to offer you the option to make your school supply shopping quick, easy and cost effective for the 2019-2020 school year by leaving it up to someone else! Our Clearpoint Home and School Association has teamed up with Schoolkits.ca to provide this valuable service to our parents. By participating in this service, you will also be contributing a portion of your purchase back into our Home & School programming. **Please note that this program is completely OPTIONAL.** There is also the option to opt out of certain items on the supply lists should you wish to shop around.

Some important considerations:

- High quality products have been included as per the administration’s request.
- Pencil cases and other non-consumable items have been set up as optional if parents have left over from previous years or to allow kids to select their own.

DELIVERY

These high quality school supplies will be assembled in a customized kit and delivered to **Clearpoint on August 19th, 2019** one week prior to school start on August 30th, 2019 providing you with the time needed to label all items. We kindly ask that parent use the front entrance on the day of pick up – pick-up details will be sent out early August 2019.

ONLINE ORDERING

You can order exactly what your child needs for the 2019-2020 school year by using Schoolkits online ordering system.

Their on-line order system will open TBD and orders will be accepted until Monday July 15th.

It’s so quick and easy: visit their secure website, select the kit(s) for your child(ren) and check out using a credit card or PayPal account!

For a flat fee of \$18 per kit, home delivery via Canada Post is now available. Receive your child’s kit at home, at your office or even at your cottage!

Simple Step by Step instructions to order your kit on-line

1. Go to www.schoolkits.ca
2. Click on the “Parent” link in the top navigation bar.
3. Under Quebec select Clearpoint Elementary School
4. Click on desired kit based on Grade
5. Enter student’s name and gender
6. Click ‘Add to Cart’
7. Continue shopping or Checkout

Families are welcome to register an account for future shopping or checkout as a Guest. All kits will be shipped directly to the school.

Please note that parents will have the ability to opt out of the following items from their kit such as pencil cases, scissors, calculators, combination locks, rulers and math sets.

For those who prefer to buy their own supplies

Buying your child’s school supplies from **SchoolKits.ca** is an OPTIONAL service, offered as a convenience and fundraiser. If you prefer to purchase your own supplies the school supply lists will be posted on the Schoolkits.ca website until the start of the school year. Please ensure your child has all the required supplies on the first day of school.
