Dear Parent/Guardian,

The Education Act of Quebec authorizes schools to collect consumable materials fees for each student in its jurisdiction on an annual basis. The manner in which these fees are applied is governed by the School Fees Policy of the Lester B. Pearson School Board. The Clearpoint Elementary Governing Board has approved the consumable fee plan as well as the IBO fee for the 2021-2022 academic year at its June meeting.

The monies collected from this fee are used entirely at Clearpoint Elementary for materials such as workbooks, consumable paper, the school t-shirt as well as duplicating materials and copying costs. A complete list of the specific items covered by this fee for your child is outlined on the attached invoice. Note that this fee covers only a small percentage of the materials used over the course of the school year. Our IB fee for the current school year has been set at \$115 per student. This amount covers an annual fee payable to the IBO, training, meeting release time and materials pertaining to the IB program. The increase to our fees from last year was necessary to cover the cost of an increase in the workload of our IB coordinator, along with other increases in costs related to the IB program.

You will find attached a detailed invoice of the fees which apply to your child. Payments may be made by cheque(s), payable to Clearpoint Elementary. Please do not combine this payment with other fees owing such as those for Daycare/Lunch program.

Please note that there will be a \$20 charge applied to any cheque returned as NSF (non-sufficient funds).

Sincerely,

David Estok  
Principal
