We cannot make it a success without your help though and we are looking for the following donations please:

The Kids Only room is a secret room where only children may enter as their moms and dads wait for them outside. Inside, with the help of an adult, the children go shopping with tickets (tickets are purchased at the front ticket desk) for gifts for family members and others who they wish to shop for (even sometimes for themselves). Once bought, the gifts are wrapped and tagged by volunteers and the children leave having done much of their holiday shopping.
