

UNIT OF INQUIRY—GRADE 3

Mid. December—January

Sharing the Planet

Approaches to learning:

An inquiry into rights and responsibilities in the struggle to share finite resources with other people and with other living things; communities and the relationships within and between them; access to equal opportunities; peace and conflict resolution.

Central idea: Living things are dependent on their natural habitat.

Lines of Inquiry:

- Different types of habitats
- What endangers habitats
- How we use finite resources

Attributes:

Caring and Inquirers

Attitudes

Respect, Commitment, Cooperation

Skills:

Social and Research skills

Key concepts:

Form, causation, responsibility

Summative Assessment:

Students will create their own animal habitats explaining the dangers that threatens them.

As always, if you can contribute to our unit in any way, please contact us. We value our parent contributions.
