

Sharing the Planet

Grade Six– Exhibition

2019

Central Ideas:

- 1) Homelessness—the actions we take can make a big difference in people's lives.
- 2) Poverty—Poverty can affect a person's well being and health.
- 3) Pollution affecting health—Pollution affects human health in many ways.
- 4) Depression—Mental health impacts a person's daily life.
- 5) Discrimination—Everyone on the planet deserves to be treated equally.
- 6) Bullying—Actions impact others physically and mentally.
- 7) Pollution—Small gestures help to create a cleaner environment.
- 8) Hunger—Hunger is a worldwide problem that impacts people's health.
- 9) Child Labour—When children's rights are violated their quality of life is affected.
- 10) Bees and Wasps—Bees pollination has an impact on the agricultural world.
- 11) Food choices—Food choices affect the health of living things.

Our students strive to be: inquirers, risk-takers, thinkers, knowledgeable, communicators, caring, open-minded, reflective, balanced and principled.

Concepts: Form, function, causation, change, connection, perspective, responsibility and reflection

Knowledge : content, topics, facts and understandings

Approaches to Learning: self-management, thinking, social, communication and research skills

Action an authentic and appropriate action project.
