

July 2018

To The Students, Staff and Parents of Clearpoint Elementary:

Summer vacation has just begun, but before you know it, the start of another school year will be upon us. I am thrilled and at the same time humbled that I will be here to welcome you back when school resumes at the end of August. Thrilled because it is a tremendous opportunity to be a part of the many amazing things that I know fill every single day at Clearpoint Elementary IB World School. Humbled because I also have great appreciation for the hard work done by students, staff and parents to create so many successes here, and I know I am fortunate to be working with all of you.

I recognize that it is a very big responsibility to ensure that we continue on our educational journey, and I look forward to fostering the on-going spirit of collaboration between the school and the Clearpoint community. Together we will break new ground to make certain that we are always providing the best, most engaging, most enriching educational experience for our students.

I look forward to meeting you all very soon, and to developing lasting relationships with you. Please do not hesitate to contact me at any time with any questions or concerns you may have about any matter.

Have a great summer, and see you soon!
