STUDENTS TAKING ACTION!

This week we are celebrating John O'Neil (gr. 3) who acted in a caring & principled way a few weeks ago! John took an inspiring action in his community by raising money for the Montreal Children's Hospital. He was inspired to help the hospital as it played a pivotal role in saving his life as a baby and so John felt a very personal & meaningful connection to the cause. To raise the money, he ran a lemonade stand and created an online fundraising page through the Montreal Children's Foundation website. With pride, he has raised \$500, embodying the caring, principled, and reflective attributes of our IB-PYP philosophy. Way to go John!
