This week we are celebrating Samih Angelo Alame who embarked on an incredible journey as a Young Ambassador for the Children's Hospital. In honour of his birthday, instead of receiving gifts, Samih Angelo asked for donations to his fundraising page, with all funds going to the Cardiology Department, which has greatly helped him over the years. He has already surpassed the \$500 mark, earning his first fundraising badge! Samih Angelo's initiative embodies key IB learner profile attributes like being caring, reflective, and principled.
