STUDENTS TAKING ACTION!

This week, we are celebrating Samih Angelo (Grade 6) for taking meaningful action to support his community. Samih Angelo participated in a 1-kilometre walk to raise funds for the Teresa Delar Palliative Care Center in the West Island, a place that held special significance for him as both his grandmother and great-grandmother received care there in their final days. Having participated in the event last year, Samih Angelo was eager to give back once again. After completing the walk, he expressed how good it felt to contribute.
Read more about Samih’s action and about what the Cycle 2 students are doing in their Unit of Inquiry in this week’s IB Newsletter.
