

National Day of Truth and Reconciliation and Orange Shirt Day

On this day, we wear orange to reflect, remember, and raise awareness of the inter-generational impact made by residential schools and commit to promoting the concept of “Every Child Matters”.

Along with our Orange Shirt Day virtual assembly on Monday, we will be inviting members of the Indigenous community throughout the year to work directly with our students offering them various hands-on workshops, presentations, and projects.

STUDENTS TAKING ACTION!

This week we are celebrating Parker Kaufmann (Grade 4) for taking meaningful action to care for our planet. While playing at a park near his home, Parker noticed trash scattered around and decided to take matters into his own hands. Without hesitation, he began picking up as much as he could and sorting it into trash or recycling bins. Inspired by Parker's actions, his younger brother, who will be joining us in Kindergarten next year, eagerly joined in to help. Together, the brothers cleaned up 25 pieces of trash! Way to go! Read more about this action and how the K classes are starting their new unit of inquiry of “Who we are” by clicking on the link above.

Congratulations to our grade 5 Ultimate frisbee team! They represented Clearpoint well and enjoyed a beautiful day at Terra Cotta park being risk takers and trying a new sport.

Another thank you to our Clearpoint Community for Fundraising a grand total of \$9223.00 for the Terry Fox Foundation.
