# IB NEWS

This week, we are proud to highlight siblings Brady (gr. 6) and Margot (gr. 2) for their inspiring environmental action. While on a walk, Brady and Margot noticed garbage littering the streets and decided to step in and make a difference. Together, they worked to clean up the trash and even sorted out items for recycling! Thank you, Brady and Margot, for demonstrating how small actions can contribute to a cleaner, healthier community by acting in a principled and caring way. Way to go, Brady & Margot!
