This week, we're proud to recognize Miguel (Grade 3) for his generous and thoughtful act of kindness. During his parents' workplace fundraiser for Centraide, Miguel noticed the preparations and wanted to help. Although he couldn't donate money or prepare food, he contributed in his own special way by donating a portion of his Halloween candy. Miguel's selflessness and care embody the values we strive to nurture. Well done, Miguel—you've shown how small gestures can make a big difference!
