IB NEWSLETTER

This week, we are proud to highlight Juliet Lature (gr. 5) for her heartwarming and thoughtful initiative to spread joy this past holiday season. Last year, Juliet was moved by the fact that not all children receive presents during the holiday season so she decided to take action. Over the past year, she collected cans and saved money from her allowance with the goal of purchasing gifts for those in need come the following holiday season. Juliet turned her vision into reality this December by donating the presents she purchased with the funds she had raised to the West Island Mission Toy Drive. Way to go, Juliet! You are a shining example of how thoughtful actions can make a meaningful difference!
