IB NEWSLETTER

This week, we are celebrating Miguel Hernandez Nava (gr. 3) for his enthusiasm and generosity in supporting families in need during the holiday season. Every December, the company where Miguel's father works partners with Big Brothers & Big Sisters West Island to support four families by collecting and delivering food donations. When Miguel overheard discussions about the initiative, he expressed a strong desire to help. With permission, Miguel joined his father at the office, where he eagerly helped decorate the donation boxes, adding a festive and thoughtful touch. Later, he assisted in unloading all the food from the SUV and delivering it to the family's front door with care and kindness. Thank you, Miguel, for showing how one person's efforts can make a big difference! Way to go Miguel!
