IB NEWSLETTER

This week, we are celebrating brothers, Shawn (gr. 2) and Logan (gr. 4) Flood, for their kindness and dedication to helping animals in need. When six puppies arrived from up north, they didn't hesitate to take action. Alongside their family, they braved the cold at the airport hangar, helping to carry the puppies to their van and safely transport them to Laval before they continued on to their foster agency. Logan and Shawn played a key role in making the puppies feel safe and cared for during the journey. Their love for animals and hands-on involvement in this rescue effort show how small actions can make a big difference. Way to go, Shawn and Logan!
