

Thank you, Clearpoint!

Another successful Reading Week has come and gone! A big shoutout to the organizing committee for creating exciting literary events throughout this week. In this age of screen time, it was truly heartwarming to see our students so engaged and focused on reading.

A special thank you goes out to the dedicated parents of our Grad Committee. From sorting and organizing second-hand books to covering shifts throughout Tuesday’s sale, your hard work did not go unnoticed. Thanks to your efforts—and the generosity of book donations from the Clearpoint community—we raised nearly \$1,500 for the Class of 2025! Just amazing!

- Registration is now open [here](#).

IB NEWS 

[click here](#) **IB NEWSLETTER**

This week we are celebrating Grayson Rollit (gr. 4), who demonstrated incredible commitment to caring for the environment. While on vacation in the Dominican Republic, and inspired by his learning about global warming and climate change, Grayson spent hours each day collecting garbage from the beach! He even swam into deep mounds of seaweed to retrieve litter. His actions caught the attention of fellow vacationers, many of whom came over to thank him and praise his dedication. Grayson returned from March break feeling inspired to do more and continued his environmental efforts back at school. He truly embodies the IB Learner Profile—Inquirer, Caring, Principled, Risk-Taker, and Reflective. Way to go, Grayson!

Please check out this week’s newsletter that also highlights the Ks and Grade 3s joining forces to promote French!

 **YOUR PHYS ED CORNER**
